

**The Idaho Wine Commission's 5th Annual Southern Idaho Industry
Boot Camp - Tuesday, September 12th and Wednesday, September
13th!**

Are people asking you for Idaho Wine? Did you know the state's Southern Idaho wine region is a short 25 mile drive from Downtown Boise? Do you know what grapes grow best in our climate? Have you had the opportunity to meet your winemakers in the industry?

This boot camp is designed to give you a crash course in the Idaho Wine Industry, and wine & dine you along the way. Join the Idaho Wine Commission for a day in Southern Idaho's Wine Country - tour a vineyard, eat some delicious Idaho sourced food and learn a little more about the growing industry that's in your own backyard!

We look forward to Supporting Idaho Wine with you!
