What is your definition of leadership?	Leadership is influence; nothing less and nothing more.
What are you passionate about in your industry?	Passion(s): Serving and helping others.
Most important life lesson learned.	Treat others the way you want to be treated.
Mentoring Format/Philosophy: (Organized agenda vs. social/roundtable)	Before the first meeting, we will read “21 Irrefutable Laws of Leadership” by John Maxwell. We will discuss this book and, if time allows, we may move to another book. We will focus on leadership from influencing others, serving others, trust, communication, character, and respect. I like to take your real world work challenges and discuss them in the group. Together, we will take what we learn back to the workplace and improve our leadership skills. I will also invite the Mayor and Police Chief to attend one of our meetings. This will give you a chance to ask other leaders in our community questions.
Potential roundtable topics	Leadership
What do you hope to gain from this experience?	Relationships
How much time do you expect participants to dedicate outside of group meetings?	I leave this up to the group. If someone is passionate about organizing a social function outside of our scheduled time, I will do my best to be there.
